New accessories for S7G and S5

Lissone (MB), Italy, May 8th 2017

STONEX Announces two New Stonex accessories

We are pleased to release two NEW Stonex accessories:

- 2 meters long CARBON FIBER POLE with 2 sections and 2 holes, specially suited for S7G and S5 and for surveying works requiring an external antenna;
- 1.3 meter long COAXIAL CABLE for S7 series and S5.

About Stonex

Stonex is one of the world leader company on measurement and survey, with over 80 qualified distributors worldwide.

Thanks to the integration of different positioning technologies and software the wide range of solutions allows to meet the needs of many fields of application and industries, such as:

survey, GIS data collection, 3D Scanning (architecture, archeology, industrial measurements, volume calculations), agriculture and smart farming, land and structure monitoring.

Each geospatial requirement can then be addressed and solved with a Stonex solution.

Joined together with an unbeatable professional expertise Stonex offers a wide range of top quality services, to satisfy all pre-sales and post-sales needs.

Stonex is a part of Beijing UniStrong Science & Technology Co., Ltd, global provider of GNSS, positioning and timing technology for the geospatial market.
